WELCOMING ADDRESS

On behalf of the conference committees, we are pleased to welcome you to attend the 7th IEEE International Conference on Computer and Communications (ICCC2021), which will be held at Chengdu, China during Dec. 10-13, 2021, organized by the Sichuan Institute of Electronics. ICCC2021 is sponsored by IEEE, and supported by Southwest Jiaotong University, Sichuan University, etc.

The major goal of ICCC is to bring together academic scientists, engineers, industry researchers to share their experiences and research results, discuss the challenges encountered, and the solutions adopted. Prestigious experts and professors have been invited to present the latest update in their respective expertise areas.

The conference will be delivered in blended mode: on-site and online, consisting of Keynote Speeches, Oral Sessions, Poster Sessions, and Online Sessions. It will be a golden opportunity for the students, researchers and engineers to interact among themselves to get better views on technical development and trends in the areas of computer and communications for the near future.

We'd like to extend our sincere welcome to everyone who has research work done in the C&C areas to consider submission of your papers to this conference. With the glory of past success, we will endeavor in every aspect to continue to run the conference well and support all the participants getting unforgettable experiences of ICCC attendance and fruitful outcome of research exchange with scholars and industry experts in your fields of research.

Hope you will enjoy everything at the conference and have a very pleasant stay at the beautiful City of Chengdu!
