Business & Trade Bulletin January 2010

Dear Members,

It gives me great pleasure to introduce a monthly business and trade bulletin of your chamber. This bulletin will encapsulate news from business and trade spheres and will provide you with information you can use.

As with our e-Bulletin, you will ultimately determine the contents of this bulletin, too. We want your inputs to make this effort more relevant.

Thank you.

Asha Luthra
President

Canada-India Business Snippets:

Nuclear Deal: Stephen Harper and Manmohan Singh announced nuclear cooperation agreement between Canada and India at the Commonwealth Heads of Government Meeting (CHOGM) in Port of Spain in Trinidad & Tobago end-November that was attended by both of them.

CEPA: In pursuance of the agreement reached during Prime Minister Harper's visit to India in November about setting up a Joint Study Group on Comprehensive Economic Cooperation Agreement (CEPA), the officials of the two countries held their first meeting in December.

Cameco: With this development, Canada's Cameco, the world's biggest mining company, is set to enter India. Cameco, which accounts for 15 per cent of the world's uranium production, it will sell not only uranium but also mining technology to India.
